### ① B552, AFP42

Headquarters,

Room 109

Amenities: Multiple Person, Outlet,  
In Use Sign, Computer with Afnet  
Connection

### ② B560A, AFP 42,

Conference Room

Amenities: Multiple Person,  
Available to Public/Visitor, Outlet, In  
Use Sign,

### ③ Boeing, Unnumbered

Room

Amenities: Outlet

The Air Force recognizes that breastmilk is the optimal food for growth and development of infants and encourages employees and management alike to have a positive, accepting attitude towards mothers and breastfeeding. We promote and support breastfeeding and breast milk expression by employees who are breastfeeding when they return to work. Breastfeeding reduces serious acute and chronic diseases, including obesity. Healthier employees and babies mean fewer employee absences and lower health care costs.

## Resources
